

KARLOVAC UNIVERSITY OF APPLIED SCIENCES

announcing

A CALL FOR

funding of

**TEACHING AND STAFF TRAINING MOBILITY
within Erasmus+ Programme –
key activity 1 (KA171 - mobility between
programming and third countries – Argentina) in
academic year 2025/2026**

THE GENERAL PART

Karlovac University of Applied Sciences (Erasmus ID code: HR KARLOVA01) is awarded by The European Commission with the Erasmus Charter for Higher Education under the Erasmus+ Programme. According to the Charter, student mobility for study purposes, staff mobility for teaching and staff mobility for training (for teaching and nonteaching staff) is enabled. Within the Erasmus+ Programme, for Higher Education Institutions from partner countries outside the European Union, “in-” and “out-going” mobility is possible, if University has an approved project with a partner institution and a bilateral interinstitutional agreement is concluded (key activity 1 – KA171: Mobility projects between the Erasmus+ Programme participating countries and partner states).

According to this Call, staff mobility from Argentina to the Karlovac University of Applied Sciences with the purpose of teaching and training is allowed.

DURATION OF THE CALL

All activities of the mobility within the Erasmus+ Programme, according to this Call may be accomplished till 31st July 2026.

APPLICATION REQUIREMENTS

Suitable candidates are employees of UNL (teaching and non-teaching staff) with Argentinian citizenship. Teaching staff, i.e. persons in teaching or scientific-teaching professions, may apply for the staff teaching mobility, while for the staff training mobility both teaching and non-teaching staff may apply.

If the same candidate submits 2 applications (1 for teaching purpose, 1 for training purposes), the Candidate Ranking Committee will evaluate a higher quality application.

APPLICATION PACKAGE

1. The application form for staff mobility written in English and signed
2. CV written in English (Europass CV form)
3. A copy of the first passport page
4. Certificate of employment of the parent institution
5. Staff Mobility Agreement for Teaching written in English and signed by the receiving Institution, parent institution and the staff member (candidate).

SELECTION OF THE CANDIDATES

Selection criteria:

- the quality of the work plan (curriculum) from the Staff Mobility Agreement
- knowledge of the language in which teaching /training will take place
- improving the quality of work of the parent institution
- dissemination of experience after return to the parent institution
- number of published professional publications in English or foreign language - it is recommended that members of the non-teaching staff and candidates of lower academic degree be prioritized when ranking staff for the training activity

List of selected candidates will be published on the web page of both Institutions and on the notice board.

By submitting an application, candidates agree with the publishing of their names on the list of selected candidates.

Application deadline:
24th of March 2026
